About the music You'll be learning two of the 20th century's most inspirational choral works: Leonard Bernstein's extraordinary, exhilarating 1964 Hebrew masterpiece, *Chichester Psalms*, plus Ralph Vaughan Williams's ravishingly romantic 1938 classic, *Serenade to Music*. The day is then topped off by an informal performance, with soloists, which your family and friends can attend free of charge.

Scores / Experience Loan of both vocal scores is included in the ticket price, but if you have your own scores you are welcome to bring them (letting us know for numbers). Singers don't need choral experience to take part, but if you're new to these works an ability to read music will be useful. If you already know the music, come and enjoy the sing!

Refreshments Enjoy free tea, coffee and water during breaks (please bring your own mug/bottle), plus home-baked cake to purchase. For lunch why not pre-order from our delicious choice of soups, lasagnes, sandwiches, scones and more? (Includes vegetarian; other dietary needs on request.) Simply order when booking your tickets.

Venue / Access Spacious, convivial St Andrew's Methodist Church is in a convenient pedestrian area just off Worcester High Street. Full wheelchair access. Lift or stairs to all floors. Public car parks within 5 mins' walk (card/app payment). Bus station and Foregate St train station 15 mins' walk.
